

OUNDLE & DISTRICT DOG TRAINING SOCIETY ENROLMENT FORM 2023

The annual subscription is £10 single, joint or family. Members joining after 1st November do not need to renew subs the following year.

Each class is £6.00. Card payments only accepted.

Our classes take place in a very large indoor arena in the winter and outside on paddocks in the summer (weather permitting). We will follow government guidelines relating to COVID security measures.

To ensure the smooth running of each training session, it is requested that there is only one handler per dog per class. If two or more people wish to train the same dog they need to do alternate weeks.

All dogs must be fully vaccinated with conventional vaccines and certificates produced on joining or renewing subscriptions. An emailed image is fine.

Please do not bring dogs to training if they are ill. Bitches in season need to be kept away for the whole three weeks a season usually lasts.

Please do not enter stable yard, stables or paddocks. Sheep graze the paddocks in winter and are contained by electric fences. In summer, please stay within our designated area of paddocks used for outside training.

ALL DOG WASTE AND OTHER RUBBISH MUST BE TAKEN HOME FOR DISPOSAL.

Contact number for the society: 01832 293432/07557989229. E-mail: info@oundledogs.co.uk

Website: www.oundledogs.co.uk. Facebook: Oundle & District Dog Training Society.

Information will be given on the Website and Facebook page if there is any reason to cancel a training evening.

The Society complies with the GDPR (the new data protection rules). Your data will be used for our purposes only. Visit our website for our Privacy Notice.

PLEASE FILL IN USING BLOCK CAPITALS PLEASE

Name/s _____ Date _____

Address _____

Postcode _____
